

### REMARKS

The Notice of Allowance dated January 6, 2011, has been received and carefully noted. This amendment is submitted to replace the unentered amendment dated January 6, 2011. The above amendments to the claims are merely submitted to correct a dependency error in claim 7. Claim 7 has been amended to be properly dependent upon claim 5, instead of cancelled claim 2.

This amendment does not have any effect on the scope of the claims, and merely serves to ensure that the issued claims are consistent with the examiner's and applicants' intention. This amendment was not submitted earlier because the possible dependency problem was not noted until the Notice of Allowance was reviewed. No new matter is added.

Timely issuance of this application, upon payment of the Issue Fee, is respectfully requested.

In the event that there are any fees due with respect to the filing of this paper, please charge Counsel's Deposit Account No. 50-2222.

Respectfully submitted,

/Douglas H. Goldhush/
